If you open a new account after the date you elected to consent to receive any Online E-Statements, we will not automatically set up the account to receive E-Statements. You must Opt In for each separate account. If not you will continue to receive a separate periodic paper statement for those accounts. Due to circumstances beyond our control, some payees take longer to post payments than others. After your first payment has posted, you will have a better understanding of how much time to allow for each payee. **19. Limitation or Suspension of Online Banking Services.**

For security reasons, we may implement limits from time to time on the number or amount of transactions you can make using our Online Banking Services. You also agree that we may, at any time, temporarily or permanently suspend the availability of the Online Banking Services if required by Applicable Law, any governmental authority, or if we believe such suspension of Online Banking Services to be necessary for security purposes (for example if you input incorrect login information, passwords, or otherwise fail to comply with established Security Devices and Procedures), or to prevent Unauthorized Use, loss, theft, fraud, or any other liability or damage to you, us, or any other Person. In the event of such suspension, we may refuse to process or complete any scheduled or recurring transactions initiated through Online Banking Services. In the event of suspension of Online Banking Services, we will attempt to provide you reasonable notice. However, you understand and agree that the circumstances regarding any Unauthorized Use, loss, theft, or fraud, may dictate that notice is reasonable if given at the time of suspension or in some cases after suspension of Online Banking Services. We may also limit access from countries other than the United States of America.

**20. Required Technology.**

You shall at all times be responsible for purchasing, installing, and maintaining the Required Technology. You may be required to purchase Required Technology from us. You are solely responsible for maintaining the Required Technology with the necessary compatibility and format to interface with our systems, including without limitation, the ability to support the Security Devices and Procedures required by us or established by you. You are required to comply with the minimum compatibility requirements for all Required Technology used in connection with Online Banking Services, including but not limited to those for any Required Technology that we subsequently allow to be used with Online Banking Services.

We are not responsible for any liability caused or in any way arising out of the installation, use or maintenance of your personal computer hardware or software or other Required Technology, including any software provided by us or one of our suppliers or vendors.

Any Required Technology provided by you, prior to use in connection with the Online Banking Services, shall meet any and all requirements established by us from time to time. You agree (a) to comply with any license agreement related to any Required Technology and (b) that a failure to comply with any such licensing agreement shall be a default under this Agreement. To the extent applicable, we hereby grant you a limited, non-exclusive sublicense to use any software or other Required Technology made available by us. Such sublicense shall automatically terminate upon termination of this Agreement for any reason, and upon termination of this Agreement, you are required to immediately remove from your systems any Required Technology made available to you by us. You are also responsible for ensuring that your use of Required Technology is in compliance with all applicable requirements of telecommunications companies, government authorities, and otherwise, including but not limited to your communications connection to the Online Banking Services,.

#### **21. Rejected, Returned, and Incomplete Transactions.**

We may reject or refuse to process any transaction that is not initiated in accordance with this Agreement or Applicable Law. If a transaction is rejected by a third party due to improper processing or delays by us, we shall reinitiate such transaction. In the event that a transaction is rejected or returned by us or any third party for any other reason whatsoever, it shall be your responsibility to re-initiate such transaction. We will give you notice of any rejected or returned transaction. We are authorized to debit or credit the Connected Accounts or any other Customer Account for transactions that are rejected or returned to us. You shall promptly provide immediately available funds to reimburse us if any transaction is rejected after we have permitted you to withdraw immediately available funds in the amount thereof or if any adjustment memorandum that relates to any such transaction is received by us. Unless required by Applicable Law, we have no obligation to pay you interest on the amount of any returned or rejected transaction debited from the Connected Accounts or other Customer Account. A third party receiving an order as a result of a Customer-initiated transaction may, in some cases, have the right to have an unauthorized or erroneous transaction credited to its account. You agree that we may deduct any amount owing to such third party from any Customer Account upon our receipt of proper notice of such crediting from such third party's bank. We may charge back against you any transaction that is returned or reversed by any third party receiving an order related to such transaction.

You are required to retain all tracking and confirmation numbers provided to you by us in connection a transaction. If you contact us inquiring about a transaction, we may require you to provide the tracking or confirmation numbers to us to verify that the transaction was initiated. If a tracking and confirmation number is not provided to you in connection with your attempted initiation of a transaction, such transaction has not been initiated. Please note that a screen shot or other information regarding a transaction that has not been posted to a Connected Account will never be deemed evidence that such transaction was properly initiated, processed, or completed unless you can provide a confirmation number issued by us for such transaction.

#### **22. Transfers Involving Insufficient Funds.**

If you instruct us to make a transfer and you do not have a sufficient balance in the Connected Account from which you are making the transfer (including available credit under any overdraft line), we may refuse to complete the transaction. We may do this even if there are sufficient funds in accounts other than the one you were using to make the transfer. If we complete a transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction in the account from which the transfer is made, you agree that we may reverse the transaction or offset the shortage with funds from any other account you have with us. In any case, you are fully obligated to us to provide sufficient funds for any transfers you make or authorize.

Notwithstanding any other provision of this Agreement, if we do not make a transfer, or if we reverse a transfer because of insufficient funds, we are not required to make any further attempt to process the transfer or to notify you that the transfer has not been completed. You may be liable for a non-sufficient

funds fee under the terms governing the account from which you made, or attempted to make, the transfer.

You hereby authorize any other financial institutions at which you maintain Connected Accounts to release all of such account information to us for release through the Web Site and the Online Banking Services. Such other financial institutions shall not be liable to you for providing such information to you and to us through the Web Site and the Online Banking Services. All of the provisions of this Agreement shall apply to such external Connected Accounts. You are required to retain data adequate to permit you to remake or restore any documentation, file, or other information submitted to us for at least ten (10) Business Days following the date such information is sent to us, and shall provide such data to us upon request. We and our suppliers provide Online Banking Services from our own sites and make no representation or warranty that any information, material or functions included in Online Banking Services are appropriate for use by you in your jurisdiction. If you choose to use Online Banking Services, you do so, on your own initiative and are solely responsible for compliance with applicable local laws and regulations.

We may use “persistent” cookies (which would reside on the computer used to access the Web Site or the Online Banking Services) to increase the ease of use. Such a cookie might contain user IDs, thereby relieving the user of having to enter user IDs each time the Web Site or the Online Banking Services are accessed. Under this circumstance Bank will only use a “persistent” cookie when authorized during the login process for the Web Site or Online Banking Services.

We may disclose information about your accounts, and you authorize us to disclose such information, as follows: (a) to consumer reporting agencies; (b) for fraud, security or risk control; (c) to help complete a transaction you initiate, including information requested to verify the existence or condition of an account; (d) to resolve disputes or inquiries you may have about your accounts; (e) with your consent or at your direction, which may be oral, in writing, by telephone, electronic or other means we recognize; (f) when disclosure is required by Applicable Law, such as pursuant to court order, subpoena, legal process or government agency examination or investigation, or to protect or enforce our rights; (g) to companies that perform services for us in connection with your accounts and Online Banking Services, such as data processing and software companies and collection agencies; (h) as otherwise necessary to service your account, or as permitted or required by law.

As stated above your consent to receive electronic disclosures is required to use Online Banking Services. In the event you withdraw such consent we may terminate this Agreement or your ability to use Online Banking Services.

#### **26. E-Mail.**

Sending e-mail is a very good way to communicate with us regarding the Connected Accounts or the Online Banking Services. However, unless you use the “Messages” feature available through Online Banking Services AFTER YOU HAVE SECURELY LOGGED INTO THE ONLINE BANKING SITE, your e-mail is sent via your own software and, as a result, may not be secure. Because of this, you should not include confidential information, such as account numbers and balances in any e-mail to us. You cannot use e-mail to initiate Online Banking Services transactions. All such transactions must be initiated using the appropriate functions within the Online Banking Services. We will not be liable for any errors, omissions, claims, or problems of any kind involving your e-mail.

**27. Links to Other Sites**

You should take precautions to protect your computer software and data from viruses and other destructive programs when downloading files through the Internet or any third party site.
