(g) **Electronic Fund Transfers Initiated By Third Parties.** You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via

some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- Electronic check conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills. You may:
 - Not exceed more than _____ payments by electronic check per _____.
 - Make payments by electronic check from _____ your checking account _____. Payments are limited to _____ per _____.
- Electronic returned check charge.** You may authorize a merchant or other payee to initiate an electronic fund transfer to collect a charge in the event a check is returned for insufficient funds. You may:
 - Make no more than _____ payments per _____ for electronic payment of charges for checks returned for insufficient funds.
 - Make electronic payment of charges for checks returned for insufficient funds from your checking account _____. Payments are limited to _____ per _____.

- automated teller machine
- point-of-sale terminal.

You may not get a receipt if the amount of the transfer is \$15 or less.

(b) Preauthorized Credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the telephone number listed below to find out whether or not the deposit has been made.

(c) In addition,

You will get a monthly account statement from us, unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

You will get a quarterly statement from us on your savings account if the only possible electronic transfer to or from the account is a preauthorized credit.

If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.

PREAUTHORIZED PAYMENTS

(a) Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call or write us at the telephone number or address listed in this disclosure, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

FINANCIAL INSTITUTION'S LIABILITY

- ◆ If, through no fault of ours, you do not have enough money in your account to make the transfer.
- ◆ If the transfer would go over the credit limit on your overdraft line.
- ◆ If the automated teller machine where you are making the transfer does not have enough cash.
- ◆ If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- ◆ If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- ◆ There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission.
 as explained in the separate Privacy Disclosure.

UNAUTHORIZED TRANSFERS

(a) Consumer Liability. Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

Visa® Debit Card. Additional Limits on Liability for Visa® Check Card .

Mastercard® Debit Card. Additional Limits on Liability for _____ .

You will not be liable for any unauthorized transactions using your Mastercard debit card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if involving a Visa® point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

ADDITIONAL INFORMATION:

Currency Conversion:

When you use your Visa® Check Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US Dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing day may differ from the rate in effect on the transaction date or posting date.

A 1% Currency Conversion Fee (or Cross Border Assessment) will be assessed on international transactions where Visa has performed a currency conversion function.

Advisory Against Illegal Use:

You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

Weekend Transactions:

For purposes of daily transaction limits, Saturday, Sunday, and Monday are considered one day.

Electronic Fund Transfer Fees:

A fee of \$1.00 + variable ATM fee will be charged for any ATM transaction (withdrawal, transfer, balance inquiry) conducted at a non-proprietary ATM.

A fee of \$6.75 will be charged for replacing a card or issuing a new PIN number.

For more information on fees, refer to the schedule of fees provided with your Truth in Savings Disclosure at the time of account opening.
